

PER DIEM DEDUCTION INFORMATION

The government allows a deduction for each day that you are away from base. The IRS states that you can either itemize each layover city or you may take a standard rate per day. It is to your advantage to provide your schedules so your per diem allowance can be calculated based on your specific flying. The IRS will not allow a mix of schedules and days flown! All schedules must include three-letter layover city codes, dates and times of each trip.
